About Me

- **Skilled Full Stack Developer** with hands on experience in **frontend, backend, and database development**. Proficient in using **Microsoft Visual Studio 2022, Visual Studio Code, and Eclipse** for building and maintaining robust applications.
- Experienced in database management with strong expertise in **Microsoft SQL Server (MSSQL), MySQL, and PostgreSQL**.
- Adept at solving complex coding challenges and delivering efficient, high-quality software solutions.

SKILLS

C# • SQL • ASP.NET MVC Core • ASP.NET MVC • Entity Framework • JavaScript • AJAX • HTML/CSS •
Windows Services • API Development • API Testing • React • Java • Software Development • Software Design

Work Experience

Sushma Technology Private Limited

Software Developer

Sep 2024 - Present

Thane

Experience: 12+ months

- **Tech Stack:** .NET MVC / .NET Core, SQL Server, JavaScript, IIS, HTML/CSS, GSAP, jQuery, Bootstrap and modern web tools.

Role Overview

- Delivered end-to-end software solutions across **frontend, backend, and server-side** development.
- Experienced in **IIS hosting and deployment**, including live server configuration, troubleshooting & Management.
- Worked directly with clients at **on-site locations** for requirement gathering, solution delivery, & implementation.

Key Projects & Contributions:

Responsive Web Platform

- Designed and developed a **responsive, animated website** using **GSAP** and modern frontend technologies.
- Focused on **UI/UX enhancement** and **mobile-first design**, improving user engagement and visual appeal.

Enterprise ERP Solution

- Collaborated on the development of **core ERP modules** including **Batch Management**, **Delivery Challan (DC)**, **Bill of Materials (BOM)**, and **Goods Receipt Note (GRN)**.
- Integrated complete **ERP logic across frontend and backend**, significantly improving operational workflows.

Contract Management System :

- Developed a comprehensive **Attendance and Working Hours Management** module.
- Implemented advanced features: **Single Punch Regularization, data processing, and Invoice Generation**.
- Designed the end-to-end workflow, from UI to backend logic.

Human Resource Management Module:

- Built and enhanced the **Leave Application** module.

Stock Management System (Ongoing)

- Building a full fledged **Stock Management System** using **.NET Core MVC**, covering **GRN, DC, Stock Issue, and Final Stock Summary** modules.
- Designed **ERP-style reusable master modules** and **interactive dashboards** for real-time business analytics.
- Managed **client interactions, development, and deployment via IIS**.

Highlights:

- Led **client-facing development**, bridging the gap between business needs and technical solutions.
- Took ownership of **hosting and deployment** using **IIS**, including on-premise and server-side setup.
- Delivered scalable, maintainable applications with strong **UI/UX focus** and **backend efficiency**.

Internships

TCS ION

Apr 2023 - Jun 2023

Software Developer

Mumbai

- Developed a functional **Online Hotel Booking System** as part of the TCS iON RIO 210 program.
- Gained exposure to the **software development lifecycle (SDLC)** and enhanced practical understanding of front-end and back-end coordination.
- Completed the internship with a focus on **project-based learning**, problem-solving, and foundational coding skills.

Sushma Technology Private Limited

May 2024 - Aug 2024

Software Developer

Thane

- Contributed to the development of an Asset Management System by implementing modules using the **.NET MVC framework**.
- Assisted in designing and developing web applications, creating **controllers, views, and models** to manage asset-related data efficiently.
- Participated in a **Shop floor management system** project, developing and integrating **Quality Forms** to improve production tracking and ensure quality assurance.
- Collaborated with senior developers on **debugging, testing, and deployment** of web applications, gaining hands-on experience with real-world enterprise systems.

EDUCATION

Master of Computer Applications (M.C.A), Amity University Online

2025 - Present

📍 Noida

Bachelor of Information Technology, Anand Vishwa Gurukul (MU)

2021 - 2024

📍 Thane

CERTIFICATIONS

Software Solution Architect - Java & Net

May 2024

[Credential Link](#)

Microsoft .Net Professional

May 2024

[Credential Link](#)

TCS iON Data Plus

Jun 2023

[Credential Link](#)

ACHIEVEMENTS

Microsoft .Net Professional

- Successfully completed the **Microsoft Official Course** focused on **.NET technologies**, awarded by an authorized **Microsoft Silver**

Learning Partner.

- Gained in-depth knowledge of **.NET Framework, C#, ASP.NET MVC, ADO.NET**, and application development best practices. Demonstrated practical skills in building scalable, enterprise-level applications using Microsoft technologies.
